

Justice O'Connor Announced Her Retirement Here's What You Can Do To Help!

Justice Sandra Day O'Connor has announced her intention to retire from the U.S. Supreme Court. Justice O'Connor was the deciding vote in a 5-4 decision to keep the gruesome partial-birth abortion procedure legal. And she was the swing vote in a 5-4 decision to curtail the free speech rights of pro-lifers to lobby on behalf of unborn children in the McCain-Feingold campaign reform case.

President Bush will now nominate a new justice, who must survive the minefield of Senate confirmation. Senators Boxer, Leahy, Schumer, Clinton, Kennedy and others will stand in the way. In some ways the coming fight to confirm a true constructionist who respects the words and real meaning of the Constitution will be every bit as bitter as the fight to confirm Robert Bork in 1987.

And we lost that fight. And because we lost that fight, abortion has remained legal through all nine months of pregnancy in the United States.

There are three critically important things you can do to help:

First, please contribute to National Right to Life's grassroots effort. Pro-abortion groups like Planned Parenthood, NARAL and People for the American Way have already begun massive projects to use media, e-mail lists and grassroots campaigns to get the Senate to stall and defeat

any judge who respects the Constitution as written. They know they need activist judges to continue to legislate from the bench if they want to keep a so-called "constitutional right" to abortion.

Please help National Right to Life advertise, lobby and activate the pro-life grassroots in our campaign by returning the coupon below to National Right to Life, 512 10th St., NW, Washington, D.C. 20004 or donating through our website, www.nrlc.org.

Second, call your two U.S. Senators now and ask them to vote for a justice who will interpret the words and actual meaning of the Constitution, not legislate from the bench. The phone number for the U.S. Capitol switchboard is 202-224-3121.

Third, visit our website, www.nrlc.org, regularly for the latest information regarding the confirmation battle.

Thank you for all you continue to do on behalf of life.
