

THE CONGRESSIONAL RECORD ON LIFE

**Rep. Elissa Slotkin
2019 - present**

“We need more offense and less shallow defense if we’re going to get back to a federal right to an abortion.”

-Rep. Slotkin on X (Twitter)- January 22, 2024

- **Abortion Without Limits:** The “Women’s Health Protection Act” (WHPA) is a bill in Congress which would remove virtually all legal protections for unborn children on the federal and state level, and prevent future protections for unborn children. Rep. Slotkin cosponsored and voted for the WHPA.
- **Abortion Funding:** The “No Taxpayer Funding for Abortion Act” would prevent the use of federal funds to pay for abortions except in cases of rape, incest or to save the life of the mother on a government-wide basis, and prohibit the use of federal dollars from funding abortion on demand. Rep. Slotkin voted against this bill.
- **Abortion in the Michigan Constitution:** Rep. Slotkin was a vocal supporter of Michigan’s Proposition 3, a 2022 ballot measure that amended the state Constitution to establish a “right” to abortion for any reason at any point in pregnancy.
- **Abortion Funding in the Military:** The Biden Administration’s Department of Veterans Affairs announced they will pay for and provide abortions for “health reasons,” defined broadly as to be for virtually any reason. Rep. Slotkin voted in favor of this new policy.
- **Funding Abortion Providers:** Rep. Slotkin opposed efforts to prevent Title X family planning funds from going to facilities that perform or refer for abortions. She supports tax funding of organizations and facilities, like Planned Parenthood (the nation’s largest provider and promoter of abortion), that perform or refer for abortions.
- **Abortion Survivors:** Rep. Slotkin voted against the “Born-Alive Abortion Survivors Protection Act,” which would ensure a baby born alive during an abortion attempt is given the same degree of medical care as any other newborn of the same gestational age.
- **Endorsements:** Rep. Slotkin has been endorsed by organizations that support unlimited abortion like Planned Parenthood Action Fund, EMILY’s List, and Reproductive Freedom for All (formerly known as NARAL).
- **Voting Record:** Rep. Slotkin has voted **31** times against the positions taken by the National Right to Life Committee, earning a 0% pro-life rating while in the U.S. House.
- **Pro-Abortion Violence:** Rep. Slotkin voted against a 2023 House resolution condemning recent acts of violence, vandalism, and destruction against pro-life facilities, groups, and churches following the *Dobbs* decision.
